SCIE

॥वसुधैव कुटुम्बकम्॥

Symbiosis Centre for International Education (SCIE) is the central department of Symbiosis created solely for designing and managing all internationalisation endeavours for the university. This department takes care of all things international: from branding Symbiosis globally, promoting programs and recruiting international students, creating a home away from home for all international students studying in Pune, nurturing the spirit of multicultural inclusion and diversity at all campuses, offering leadership opportunities through the vibrant International Student Council to working with carefully selected, like minded international partner universities, designing joint academic collaborations, and ensuring internationalisation@home to all staff and students across the university.

SIU

॥वसुधैव कुटुम्बकम्॥

Symbiosis International University (SIU) was envisioned by Founder Prof. (Dr.) S. B. Mujumdar with an aim to promote international understanding through quality education. One of its main objectives is to develop students who not only work towards growth in their professional careers and personal lives, but also consider themselves as ambassadors for living (and evangelising) the philosophy of 'Vasudhaiva Kutumbakam', 'the world is one family'.

RANKINGS & ACCREDITATION

INDIA'S FIRST-EVER ROTARY PEACE CENTER

We are delighted to share a momentous achievement for **Symbiosis International University (SIU)** – **India's first-ever Rotary Peace Center** has been established at our university! SIU has been chosen as the **9th Rotary Peace Centre globally, (First in India)** marking a significant milestone in our commitment to fostering **positive peace and global understanding**.

After a rigorous selection process, The Rotary Foundation Trustees recognized SIU's excellence in academic programs, faculty expertise, student support systems, and our dedication to promoting peace and conflict resolution.

Key Highlights:

- **First Rotary Peace Center in India**
- **9th Rotary Peace Center globally**
- **Applications open in February 2026**
- **First cohort begins in 2027**

We commend and express our heartfelt gratitude to **Dr. Anita Patankar**, Director – SCIE, **Dr. Vidya Yeravdekar**, Pro Chancellor, SIU, and all Directors, Deans, Faculty, and Staff Members whose efforts and commitment have made this achievement possible.

This marks a new chapter for SIU as we contribute to the development of future peace leaders worldwide!

SCIE organised a Delhi tour for the Symbiosis International Students' Council from 2nd – 7th February, 2025. The current Symbiosis International Students' Council consists of 15 members from Asian and African countries. This tour was to provide these students with a comprehensive understanding of India's governance system, history, and rich culture.

The students visited the Museum on Indian Prime Ministers – Pradhanmantri Sangrahalaya, Parliament, India Gate, Taj Mahal in Agra – a UNESCO World Heritage site, Raj Ghat, Lajpat nagar market, Arunachal Bhawan and New Maharashtra Sadan to explore and experience India historically, politically, culturally and through its delicious cuisine.

The students had the privilege of an interactive session with **Hon'ble Speaker of Lok Sabha, Shri Om Birla** and met **Hon'ble Member of Parliament (MP)** from Pune, Maharashtra – **Shri Murlidhar Mohol**. They also had a unique opportunity to witness a Parliamentary session live, which featured a discussion by the **Prime Minister of India, Shri Narendra Modi**. These experiences provided them the chance to view the functioning and governance of the 'World's Largest Democracy' firsthand!

Student Programs:

SCIE conducted a **Study India Program** (Medical Elective) in association with **Symbiosis Medical College for Women (SMCW)** and **Symbiosis University Hospital and Research Centre (SUHRC)** from 1-28 Feb, 2025. The program consisted of shadowing with medical professionals at SUHRC, attending lectures at SMCW, and the non-medical electives at **Symbiosis Centre for Nanoscience and Nanotechnology (SCNN)**, **Symbiosis School of Visual Arts and Photography (SSVAP)** and **Symbiosis Institute of Design (SID)**. Cultural immersion activities were organised by SCIE such as Cultural Heritage Walk, interaction with the foreign students at SIU including buddy activities such as wearing Indian traditional attire, drawing henna designs, etc.

SCIE hosted 10 students with Prof. Tsujino from Chiba University, Japan for the 3rd Batch of GRIP- Study India Program. Through this program, students gained insights into the social structure of Indian society and visited various NGOs to understand their necessity, functions, and significance within the community. SCIE conducted this program jointly with Symbiosis Community Outreach Programme and Extension (SCOPE)

SCIE conducted Study India Program in association with Symbiosis College of Nursing (SCON) for 14 students and 3 faculty members from 3 Japanese Universities. Participants visited Public Hospital, Primary Healthcare Unit, Private hospital, Simulation lab as a part of the program. Along with academic visits and lectures students actively participated in the cultural activities and Yoga session.
