SCIE:

Symbiosis Centre for International Education (SCIE) is a centralised department of SIU created for International Students. This department takes care of international students' right from their admission till the time they graduate from Symbiosis University. It also acts as a common platform for International Students not only of SIU but from colleges and Universities across Pune. SCIE aspires to expand its horizons for academic enrichment with foreign higher educational institutions through collaborative arrangements. It works with universities that feature in the top 100 of Times Higher Education or QS World University ranking. Actively working with European partners for Study in India Programs & Erasmus + Projects facilitates students, faculty mobility and strategic partnerships.

SIU:

Symbiosis International University (SIU) was conceptualised by Prof. (Dr.) S. B. Mujumdar with an aim to promote international understanding through the medium of quality education. Its objective is to develop students, who not only have growth in their careers but are also counted as ambassadors for promoting the idea of 'Vasudhaiva Kutumbakam' which means 'The world is one family'. It aims at providing a feeling of being 'home away from home' for International students in India.
